IN THE MATTER OF THE SUSPENSION :
OR REVOCATION OF LICENSE OF :
LECLERC M. ADISSON, M.D. :
TO PRACTICE MEDICINE AND SURGERY :
IN THE STATE OF NEW JERSEY :

ADMINISTRATIVE ACTION
FINAL ORDER

This matter was presented to the State Board of Medical Examiners by the Attorney General of New Jersey, by Joan D. Gelber, Deputy Attorney General, by way of Administrative Complaint filed August 3, 2005. The Complaint alleges in Count I respondent's conviction and subsequent sentencing for the commission of certain criminal offenses involving insurance fraud, found in Indictment #03-08-0036-SGJ dated July 29, 2003, Waiver of Indictment and Trial by Jury, Accusation #05-03-0196 dated March 4, 2005 issued against respondent, also known as Leclerc Mylord Adisson, Plea Form, and Orders for Commitment, all as more fully set forth in the Administrative Complaint.

An Order for Commitment on the resolved charges in the Indictment was issued April 19, 2005, sentencing respondent to the following: Five years of probation, at the end of which he is to serve 364 days in the Essex County Jail; surrender of license to practice medicine in the State of New Jersey; restitution of \$25,843.87 (\$1,910.25 to Prudential Insurance; \$2,941.25 to Eagle MDA Ins.; \$1,356.76 to Clarendon Ins.; \$1,401.97 to Keystone Ins.; \$958.95 to NJ CURE; \$7,138.97 to N.J. Manufacturers Ins.; \$905.50 to AIG Ins.; \$924.25 to Progressive Ins.; \$1,922.47 to Sentry Ins.; \$785.50 to Zurich Ins.; \$5,598.20 to State Farm Ins.) He was also required to continue to cooperate

with the State. Civil penalty was assessed at \$5,000, along with other financial assessments, DNA specimen submission, and probation monitoring requirements. An Order for Commitment on the Accusation was issued on the same day listing the guilty plea to both Counts. Respondent was sentenced to the following: On Count 1: one to five years of probation, at the end of which he shall serve 364 days in the Essex County Jail, to run concurrent with the sentence on the Indictment. On Count 2: two to five years of probation, at the end of which he shall serve 364 days in the Essex County Jail, to run concurrent with the sentence on the Indictment. Statutory financial assessments were imposed.

Respondent, who holds license number MA04565300, at all times pertinent to the criminal proceedings and the Administrative Complaint, had been engaged in the private practice of medicine at offices located in various places including East Orange, New Jersey. His current address of record is 480 Sailboat Circle, Weston, Florida 33326. He is currently conducting a medical practice at Lecarm Medical Center, Inc. [*sic*], 640 N.W. 183rd St., Miami, FL 33169. He is represented by Vincent C. Scoca, Esq.

On August 22, 2005, following the filing of the Administrative Complaint, respondent delivered his New Jersey medical license but did not file an Answer to all of the allegations.

Respondent, having had the opportunity to confer with his attorney, now acknowledges that the above criminal convictions constitute grounds for disciplinary action by the State Board of Medical Examiners pursuant to N.J.S.A. 45:1-21(f), in that respondent has been convicted of acts constituting a crime or offense involving moral turpitude or relating adversely to the activity regulated by the Board. He also acknowledges that he failed to provided the required notification to the State Board of Medical Examiners of his arrest and of the subsequent Indictment and Accusation, despite the requirements to do so imposed by N.J.A.C. 45:6-19(b) and (c) and N.J.S.A. 45:1-21(h), independently warranting disciplinary sanction.

Respondent waives his opportunity for plenary hearing before the Board. In the interests of amicable settlement of the matter, respondent has agreed that his surrender of license is with prejudice, and is deemed a revocation.

The Board, having considered this matter, finds that for good cause shown,

IT IS, ON THIS 14th DAY OF Sept. 2005
